

Command Philosophy

31 July 2008

Respect

Treat *EVERYONE* with respect

Professionalism

"Esse quam videri"

Care

Take care of your Soldiers and civilian and contract employees

Positive Climate

A positive work environment fosters motivation, enthusiasm and has a direct impact on accomplishing our mission

Collaborate

Collaboration is a great force multiplier. We must support and encourage active collaboration with any entity that can advance combat casualty care

Welcome

Welcome and accommodate all new BRAC personnel and units

Team

Foster an environment where everyone feels part of the ISR team

Do the Right Thing

Our honor must, and never will be compromised - We do the right thing

Priorities

Heal the wounded - Provide the best burn care in the world

Research that saves lives TODAY - Translate research to the battlefield

Safety - Never compromise safety

Execute BRAC
